GETTING TO CAMP

Camp Marcil Packer

TAKING THE TRAIN

We're working on shuttle service from Albany-Rensselaer station to camp, more details to come. Here are the trains we are tentatively planning around:

FRIDAY (NYC-ALB):

283 Empire Service – departs 1:20 PM, arrives 3:45 PM
291 Ethan Allen Express – departs 2:19 PM, arrives 4:49 PM

SUNDAY (ALB-NYC):

240 Empire Service – departs 11:15 AM, arrives 1:45 PM
238 Empire Service – departs 12:10 PM, arrives 2:45 PM

FLYING

We strongly recommend flying into a New York City area airport and taking the train, it is a genuinely beautiful ride up the Hudson Valley and we are working on providing transportation from the Albany train station (details included above). If you decide to fly into Albany, you will need to rent a car to get to camp.

DRIVING

Parking at camp is available but is limited, so we recommend carpooling wherever possible, especially if you're staying on-site, as those staying off-site will need cars to get to camp. Inputting 'Camp Schodack' into your navigation tool of choice should get you there.
